FENDER® PASSPORT® DELUXE

The PD-250 PLUS is the flagship model of the Passport product line and includes a built-in CD-player. The PD-250 PLUS features a six channel mixer, 250-Watt stereo amp and a specialized DSA speaker design – the PD-250 PLUS provides powerful and full sound in a portable and easy to use design. If it's a coffee shop performance, aerobics class or corporate event, the PD-250 PLUS is great in any situation where quality sound is needed.

The Passport PD-250 PLUS is perfect for use in:

- Groups up to 300-500 people in size
- Corporate presentations
- Health and fitness classes
- Mobile DJ's
- Schools
- Sporting events

The Passport PD-250 PLUS has the following features:

- Black luggage-style molded case that protects the product during transportation from physical damage and the elements
- Built-in CD-Player
- Six-channel mixer: four mic/line, one stereo, one CD-player
- 250 Watts (125 per channel) stereo Class-D technology
- Digital reverb
- Proprietary DSA speaker design featuring two 5.5" woofer and dual arrayed 2.75" tweeters per speaker enclosure
- Two P-51 microphone (with mic clips, cables and carry pouches)
- Two 20" speaker cables
- Compatible with Passport wireless accessories
- 53 lbs.

The Passport PD-250 PLUS will not operate with the Passport DC accessories.
