## I. EVH® ELECTRIC INSTRUMENT LIMITED LIFETIME WARRANTY

Fender Musical Instruments Corporation (“FMIC”) warrants this EVH brand instrument to be free from defects in materials and workmanship for as long as it is owned by the original retail purchaser, except that pickups, switches, jacks, controls, all other electronic components, tuning machines, hardware, pickguards, plated surfaces, gig bags, cases and case hardware are warranted for a period of one (1) year from the date of original purchase. This warranty applies only to the original retail purchaser when this instrument is purchased from an Authorized EVH Dealer and is subject to the limitations set forth herein. **IMPORTANT: PLEASE RETAIN YOUR ORIGINAL SALES RECEIPT, AS IT IS YOUR PROOF OF PURCHASE VALIDATING THIS LIMITED WARRANTY**

FMIC has established a network of independent Authorized FMIC Service Centers for warranty service. The EVH Dealer from whom you purchased your instrument may also be authorized for warranty service and should be the first point of contact when service of any kind is required for your EVH instrument. To receive warranty service, return the complete instrument to an Authorized FMIC Service Center, with your sales receipt as proof of purchase, during the applicable warranty period. Defective components that qualify for coverage under this warranty will be repaired or replaced (at FMIC's discretion) without charge. Remedies beyond normal service repair of any EVH instrument require both an evaluation and confirmation of the defect and a direct recommendation to FMIC from an Authorized FMIC Service Center for alternative considerations.

All transportation, insurance and freight charges associated with warranty service and repairs on EVH instruments are the responsibility of the purchaser, as is any service initiated for the purpose of customizing setups or adjustments beyond factory specifications. Initial standard setup and adjustment of the instrument and its components at the time of purchase are considered normal Dealer product preparation, and are not covered by this warranty.
