

**J. ROCKETT AUDIO DESIGNS**

*The Dude is our take on the legendary Dumble Overdrive Special. The Dude can go from clean boost to classic Dumble sounds to high gain. Please experiment with settings and be careful with the output....the Dude is loud!*

### Controls

- **Level:** The Level control introduces clean boost and can be used independent of the Ratio control
- **Ratio:** The Ratio control introduces the ratio of gain vs boost. You can achieve the classic ODS sounds very easily but it all depends on your guitar, pickups and amp as to where the sweet spot is. Start blending in the gain control and it will simultaneously reduce clean volume & introduce gain. Somewhere in the middle is the sweet spot or mix of the two, please experiment.
- **Treble:** Turn to the right to increase output, to the left to decrease output.
- **Deep:** The Deep control varies the level of midrange prominence. Turn to the left and it will be scooped in the midrange with more emphasis on treble and bass. Turn the Deep control to the right and it will introduce a thick, low midrange. Once you achieve your desired tone on the deep control, adjust the treble to taste for clarity.

2.1mm x 5.5 mm tip/negative plug

### Warranty

J. Rockett Audio Designs LLC will repair or replace, at its discretion, defective workmanship or materials on all new J. Rockett Audio Designs products directly or through the selling dealer or an authorized service technician for one year from the date of purchase at no cost to the original purchaser. Repair and replacement parts installed will be warranted for the unexpired portion of the original warranty term.

Before sending a product in for repair, please contact us at [chris@rockettpedals.com](mailto:chris@rockettpedals.com) or [jay@rockettpedals.com](mailto:jay@rockettpedals.com) or call us at 760-419-1345.

This warranty does not cover shipping costs, product appearance or damages caused by accident, abuse, misuse or alteration. A dated sales slip or order number (issued by a tech, dealer or J. Rockett Audio Designs) must accompany a product being returned for warranty service. Repairs without a return authorization number will be refused. Please allow four (4) weeks for warranty service. For more information please contact J. Rockett Audio Designs via our website at [www.rockettpedals.com](http://www.rockettpedals.com) or call us at 760-419-1345. No other warranty is expressed or implied.
