Kelly Concepts, LLC warrants that The Kelly SHU Composite™ Primary Mounting Unit (excludes all other components of the system) will be free from defects in material and workmanship for 1-year from date of purchase of the product. We will repair or, at our option, replace any Primary Mounting Unit deemed defective during the warranty period. The foregoing remedy is the sole remedy in the event of a defect in the Product. Warranty claims must be shipped or returned to the manufacturer at the purchaser's expense accompanied with the original or a copy of the original sales receipt. This warranty coverage is not transferable by the original purchaser and is subject to the following conditions.

LIMITATIONS:

The foregoing warranty is made in lieu of all other warranties, either written or implied. The manufacturer and/or seller accepts no responsibility under this warranty for any incidental or consequential damages of any nature associated with the use of the Product.

Usage notes:

DO NOT OVERTIGHTEN the adjustment knob. Doing so may damage your Kelly SHU Composite mounting unit.

The Kelly SHU Composite™ mounting unit may have a speckled or irregular mottled finish due to the strength-enhancing properties within the material itself.
