

Martin & Co.
EST. 1833

> the next generation of the
**Performing
Artist Series**
provides more affordable
models, to inspire and
elevate your play.

Models feature a parallel neck profile with a slimmer taper, giving the guitar comfortable width in the first few frets plus a faster feel for lead work.

Satin finish neck and smooth cutaway provides extreme ease of play up and down the fingerboard.

DCPA3

OMCPA3

Play the **Performing Artist Series** and you'll experience the unique combination of legendary Martin tone and revolutionary onboard intelligence. Martin craftsmanship and premium quality materials are evident in every detail. Striking aesthetics, player comfort and versatility combined for solo, stage or studio performance – Pick up one of five new additions to the series available in GP Grand Performance, D Dreadnought and OM Orchestra.
