

The image is a promotional banner for the Apollo "Pick Your Preamp" promotion. On the left, three Apollo rackmount audio interfaces are shown: the Apollo 8, Apollo 8p, and Apollo 16. The background is a solid blue color. In the center, the word "apollo" is written in a large, white, lowercase sans-serif font. Below it, the text "PICK YOUR PREAMP PROMO" is written in a smaller, white, uppercase sans-serif font. Underneath that, the text "Buy an Apollo Interface & Pick any Unison™ Preamp Plug-In - FREE!" is written in a smaller, white, uppercase sans-serif font. At the bottom of this text block, the text "HURRY, ENDS SEPTEMBER 30!" is written in a smaller, white, uppercase sans-serif font. On the right side of the banner, there is a collection of Unison preamp plug-in boxes and a silver microphone on a stand. The plug-in boxes are in various colors and designs, including a wooden-grain box, a blue box, and a purple box with the Manley VOXBOX logo. The microphone is a classic ribbon microphone.

## Apollo “Pick Your Preamp” Promotion Hurry, offer ends September 30th!

During September 2016, purchase and register **any new Universal Audio Apollo rackmount audio interface** (Apollo 8 QUAD/DUO, Apollo 8p, Apollo 16, or Apollo FireWire) and you’ll get your choice of **any Unison preamp plug-in — FREE!**

### Only Apollo Lets You Pick Your Preamp:

Neve® 1073 Preamp & EQ Plug-In Collection  
API Vision Channel Strip Plug-In  
Manley VOXBOX Channel Strip  
Neve® 88RS Channel Strip Collection  
UA 610 Tube Preamp Collection

Found only in Apollo audio interfaces, Unison™ technology starts at the input stage — allowing Apollo’s mic preamps to sound and behave like the world’s most sought-after tube and solid-state mic preamps and guitar amps. By capturing the all-important impedance, gain stage “sweet spots,” and component-level circuit behaviors, Unison gives you the tone, touch, and feel of legendary hardware from Neve®, API®, Manley®, and more.

For more information, please visit: [www.uaudio.com/pick-your-preamp](http://www.uaudio.com/pick-your-preamp)

### Details and Limitations

This promotion is valid for any new Apollo rackmount audio interface (Apollo 8p, Apollo 8 DUO/QUAD, Apollo 16, Apollo FireWire) purchased from an authorized UA dealer between September 1st and September 30th, 2016, and cannot be combined with UAD-2 hardware received as part of any other hardware or software promotion. All promotional fulfillment, including coupon redemptions, are subject to approval by Universal Audio.

Customers must register their new Apollo rackmount interface(s) before October 7th, 2016 to receive free their Unison preamp plug-in coupon. Plug-in coupon is valid only on Unison mic preamp plug-ins listed above and must be redeemed one month from registration date.
