ESCORT® PORTABLE SOUND REINFORCEMENT SYSTEMS

The Escort® series integrates the entire PA system into one complete, easy to use, easy to transport, highly reliable, incredible sounding package, making it the perfect choice for schools, churches, DJs, and small music groups.

The new Escort takes the reliability, transportability, and audio quality of the original and combines it with state-of-the-art features such as digital multi-effects, USB MP3 player, Peavey's Midmorph® technology, and our patented FLS® (Feedback Locating System).

The carrying case provides storage for everything needed for sound, including plenty of room for optional accessories such as microphones and cables. In addition to the included folding speaker stands, the case even includes luggage style wheels to roll the entire system away. No heavy lifting, just heavy audio!
