

Celestion Limited Warranty

Celestion Guitar and Bass speakers are covered for 5 years while the FTR and Truvox line of speakers are covered for 10 years.

Physical damage such as punctures or tears to the cone, exposure to fire, water or any element not suited for Celestion products, faulty or improper installation, tampering with the dust cap, cone or suspension (spider), bent frames and severely burned voice coils are not covered.

New items that are damaged in shipping from either Group One to the Dealer or the Dealer to the end user are replaced provided a reputable carrier is used (UPS, FedEx, USPS).

Defective merchandise must be returned to and evaluated by Group One in order to be eligible for a warranty replacement or repair.

Shipping to Group One must be covered by the end user. This warranty provides a no charge replacement/repair and return shipping.

Celestion International LTD. reserves the right to modify this agreement at any time.
