

# HITMAKER EXPANSION

**Focusrite's Scarlett audio interfaces now include an incredibly comprehensive and powerful plug-in bundle worth over \$1,500**

Create studio quality vocals, powerful guitars, luscious keys and huge drums, then mix and master with iconic Focusrite studio hardware – all in the box. Every new Focusrite Scarlett interface purchased and registered on or after October 1, 2021 comes with an unbeatable range of tried-and-tested studio tools from some of the biggest names in the business.

**Hitmaker Expansion** – available to every newly registered interface user – is built to get you creating records immediately. These are all the tools you need to write, produce, mix and master your music in studio quality.

**Antares® Auto-Tune® Access** – Allows everything from natural sounding, near-real-time pitch adjustment for getting the best vocal takes – to lightning-fast Hip-hop-inspired pitching for adding a whole new sound to your tracks

**Relab's LX480 Essentials** – Provides four reverbs, modelled on The Hit Factory NYC's reverb unit, and used on countless hits

**Softube® Marshall® Silver Jubilee 2555** – A hyper-realistic model of Marshall's Silver Jubilee 2555 – the modern evolution of the iconic JCM800 – brought to you by analogue modeling experts at Softube

**XLN Audio® Addictive Keys** – Choice of one of four professional-sounding models from Steinway®, Yamaha® and the classic Rhodes®

**XLN Audio Addictive Drums 2: Studio Rock kit** – Features expertly captured samples from a high-end Tama® and Pearl® drums, and Paiste® and Sabian® cymbals, recorded at Decibel Studios in Stockholm

**Brainworx bx\_oberhausen** – Fully-analogue modelled replica of a classic American polysynth

**Three Month Splice Sounds Subscription** – Get access to millions of high-quality, royalty-free one-shots, loops, and presets, with new releases daily

**Brainworx bx\_console Focusrite SC** – Brings the true sound of the preamps that made Focusrite what we are today to your music

**Focusrite Red Plug-in Suite** – Meticulously captured digital models of the truly iconic EQ and Compressors which have made the Focusrite name a staple in world-class facilities across the globe

**Brainworx bx\_masterdesk** – Brings a smooth and simple workflow to the art of mastering, and allows anyone, from first-time-producer to industry pro to get studio-quality results quickly and effortlessly

**Ableton® Live Lite** – The most loved software for making electronic music

**Avid® Pro Tools® | First Focusrite Creative Pack** – Adds 21 powerful plug-ins, all taken from the acclaimed Avid® Eleven Rack

**Access to Focusrite's Plug-in Collective** – Receive free versions of the most innovative software, as well as benefiting from discounts
