A Kyser® Quick-Change® Lifetime Warranty.

Congratulations on choosing a Kyser®!

This Kyser® Quick-Change® was manufactured to give you years of service, and is fully warranted to the original owner against defects in materials and workmanship for the lifetime of the product. If this product ever fails due to a manufacturing defect, even after extended use, we will repair or replace the product (at our sole discretion) without charge. This warranty does not cover damage caused by accident, improper care, negligence, normal wear and tear, or the natural breakdown of colors and materials over extended time and use.

For warranty evaluation within the USA, your product must be returned to us, along with \$5.00 for shipping and handling costs.

All returns must be addressed to:

Kyser Musical Products
28141 State Highway 64
Canton, Texas 75103

Damage not covered under warranty will be repaired for a reasonable rate. Kyser® Musical Products will not be liable for lost in-bound packages. For international warranty evaluation, please send inquiries to warranty@kysermusical.com.

Recommendations

- Position the Kyser® Quick-Change® as close as possible to the fret to be clamped.

- The Kyser® Quick-Change® is designed to eliminate interference with the fretboard playing hand. To accomplish this, position the Kyser® Quick-Change® such that the string spanning clamping jaws do not protrude past the lower edge of the fretboard.
- The Kyser® Quick-Change® should not remain clamped on the guitar strings when not in use. Removing the Kyser® Quick-Change® from the guitar allows the rubber strip to restore itself to its original shape.
- Always unclamp the Kyser® Quick-Change® to move it. Do not slide it up and down the fretboard.
- Periodically, oil the pivot and the spring contact points.
