

# STEREO USB DIRECT BOX

DB2150 | 13311

3.5mm Headphone output | USB Input

Level | Power LED

Mono On/Off | ISO left/right switches

Left out | Right out

Ground lift switch

**LEVEL:** Used to control the overall output level.

**MONO ON/OFF:** Sums the stereo signal to mono. When active and switch is in the top position, sums to single channel and the LED indicator illuminates; when switch is in the bottom position, DI box changes to stereo, and the LED light is off.

**HEADPHONE:** 3.5mm TRS headphone output works with ear-buds and standard headphones.

**USB INPUT:** Connects from PC/Mac using a TYPE B cable delivering the digital audio signal and power.

**POWER LED:** When active this indicator will illuminate.

**ISO LEFT/RIGHT:** Switch left for thru, switch right for transformer isolation.

**LEFT OUT:** Right balanced output connects to console or active speaker.

**RIGHT OUT:** Left balanced output connects to console or active speaker.

**GROUND LIFT:** Disconnects input ground output to stop ground hum.

## FEATURES AND BENEFITS

Designed for plug and perform convenience, noise-free digital-to-analog conversion and, of course, the rigors of the road, the On-Stage DB2150 DI Box features 2.0 full speed USB connection, 10hz to 20Khz frequency response and 90db dynamic range. Automatically recognized as an available sound card by all Windows and Mac operating systems, the DB2150's discrete, stereo-balanced XLR outputs provide pre-mix level and signal integrity monitoring via the 3.5mm headphone jack, while iso left/right and mono-sum switches guard against phase issues and facilitate monophonic transference. And because the last thing you need is hum, custom-wound resistors isolate and eliminate ground loops.

The On-Stage DB2150 DI Box – Quick, convenient, noise-free and roadworthy digital-to-analog conversion.

## PRODUCT SPECIFICATIONS

USB Compliance	USB 2.0 full speed
Frequency Response	10Hz - 20kHz
Dynamic Range	90dB
Output Impedance	200 Ohms
Sample Rate	96k
Dimensions	5.75" x 3.5" x 1.5"
Weight	0.96 lbs.
Construction	All metal

## PRICING

Model #DB2150	Inventory #13311
List Price: \$174.99	MAP Price: \$99.95
