

CREAMER

reverb

Congratulations

on your purchase of CREAMER, the latest high-end boutique reverb pedal from T-Rex Engineering.

You'll notice the second you switch it on that CREAMER was born to serve one master only: the gorgeous all-encompassing sound of authentic vintage room, hall or spring generated reverberation.

You can't go wrong with the CREAMER reverb – it sounds brilliant at any setting. But the more you experiment with it, the more you'll find it will give you in return.

Just turn the page to get started.

One box, infinite space

When you first switch your CREAMER on, it's a good idea to start by selecting a REVERB TYPE. Each type (ROOM, SPRING or HALL) gives you a basic starting point for shaping the exact reverb sound you want.

ROOM emulates the sound of a small studio, rehearsal space or club, depending on your other settings. SPRING models the spring reverb found in vintage guitar amps. HALL, as the name suggests, recreates

the sound of playing in a larger concert hall. Once you've selected your reverb type, use the REVERB knob to adjust the intensity of your reverberated sound and the DECAY knob to adjust the "size" of your reverberating space. Finally, experiment with the TONE knob to fine-tune the character of your reverb – from murky din to bright splash.

The possibilities are endless!

Technical Specifications

Input Impedance@1KHz	Higher than 1M Ohm
Output Impedance@1KHZ	Lower than 1K Ohm
Power supply Voltage 9V DC	Minimum 8,5V DC / Maximum 12,5V DC
Current Draw @ 9V DC	70 mA
Maximum Input signal Vp/p	4Vp/p
Battery Type / Battery Life	9V battery 6F22 / 30 - 60 minutes
External connectors	Input Jack, Output Jack, 9V DC jack
Controls	ON/OFF, Reverb, Decay, Tone, Mode
Pedal size incl. knobs (W x H x D)	60 x 50 x 115 mm / 2,4 x 2 x 4,5 inch
Weight excl. battery & packaging	0,250 kg / 9,5 oz

T-REX WARRANTY CONDITIONS

T-Rex offers a 2-year warranty on all our products. In the unlikely event of a malfunction, please contact our technical support at service@t-rex-effects.com before sending us the product for repair. Read more about warranty conditions at www.t-rex-effects.com/service

ABOUT T-REX

Based in Vejle, Denmark, T-Rex Engineering makes classic and signature effects pedals for the world's best musicians. Our approach blends hi-tech innovation with old-world craftsmanship – always in the service of killer tone.

EU REGULATIONS • ENVIRONMENT PROTECTION

T-Rex accepts and follows the regulations and directives issued by the EU. We find these environment protecting regulations very good, and we are happy to follow them.
