

NDX400

TABLETOP SCRATCH MP3/CD PLAYER WITH USB

PLAY AND SCRATCH MP3 CDS, CDS, AND USB DRIVES. NDX400 is an advanced scratch MP3/CD player that can also play from a USB stick for forward-looking performance. Numark's Anti-Shock™ buffered skip-protection technology keeps music playing, even when vibrations might cause other players to skip. For easily navigating through folders on MP3 CDs and USB sticks, NDX400 has an easy-to-read text display. NDX400 is a powerful, rock-solid player for a variety of music formats. Professional DJs and weekend warriors alike will appreciate NDX400's great mix of features and capabilities for a surprisingly affordable price.
