SOFTWARE INCLUDED

NDX900 CONTROLLER

Professional Software Controller and MP3/CD/USB Player

PLAY, SCRATCH, ADD FX, AND CONTROL SOFTWARE.

Whether your music is on your computer, CDs, MP3 CDs, or even USB flash drives, you can play and manipulate it with NDX900. This advanced digital deck has the feel and layout you're used to, with a twist of Numark innovation. NDX900 gives you advanced touch-sensitive performance, built-in effects, powerful remixing, looping, and sampling plus the look a professional demands. NDX900's built-in audio interface works plug-and-play, allowing you to seamlessly integrate NDX900 with virtually any computer and control virtually any DJ software. Pair a couple of NDX900s with your favorite Numark mixer and you've got the perfect digital DJ rig with no need for an external soundcard!
