TOTAL CONTROL
PORTABLE PERFORMANCE CONTROLLER

HIGH-QUALITY SOFTWARE PERFORMANCE. TOTAL CONTROL is a professional DJ performance controller for performing with virtually any DJ software. You'll spend less time with your keyboard and trackpad and more time focused on the music because this USB/MIDI controller is laid out just like a DJ mixer and two decks for playing with your Mac or PC. TOTAL CONTROL's knobs, faders, and buttons feature pinpoint performance for years of gigs and transports. TOTAL CONTROL comes with Native Instruments Traktor LE software and is mapped for for out-of-the-box performance with Traktor Pro.

FEATURES

- Classic, dual-deck layout with complete mixer section
- Lighted controls indicate status in software for less time looking at the computer
- MIDI-over-USB controller is compatible with most DJ software
- Mac and PC class-compliant USB device requires no software drivers
- USB-powered device requires no power supply
- Includes Native Instruments Traktor LE software; mapped for Traktor Pro
- Kensington lock slot for theft prevention
